

## Detailed Programme

### Live Endoscopy

Friday 08.30-10.30

**Co-Chair:** Wendy Waagenes, Denmark

### Live Endoscopy

Friday 11.00-13.00

**Co-Chair:** Marjon de Pater, The Netherlands

### Live Endoscopy

Friday 14.30-16.30

**Co-Chair:** Tatjana Gjergjek, Slovenia

## ESGE-ESGENA combined Session: Hygiene and outbreak management

Friday, 24 April 2020

14.30-16.30

Liffey Meeting Room 1

**Chair:** Jean Francois Rey, France  
Ulrike Beilenhoff

### Simethicon in GI Endoscopy: Can we still use it? Does it support the biofilm formation?

Cesare Hassan, Italy

14:30-14:50

### Single use endoscopes: pro and cons?

Marco Bruno, The Netherlands

14:50-15:10

### Centralised endoscope reprocessing – how to organise it?

Ton Mestrom, The Netherlands

15:10-15:30

### How to dry and store endoscopes? Is a drying cabinet a must?

Yvonne Fietze, Switzerland

15:30-15:50

### How to manage outbreaks? What did we learn?

Judith Kwakman, The Netherlands

15:50-16:10

### Microbiological surveillance: Are we sampling as we should?

Judith Kwakman, The Netherlands

16:10-16:30

---

## **ESGE-ESGENA combined Session: Management**

Friday 24 April 2020

17:00-18:30

Liffey Meeting Room 1

**Chair:** Oliver Pech, Germany  
Wendy Waagenes, Denmark

### **Performance measures for endoscopy services: a European Society of Gastrointestinal Endoscopy (ESGE) Quality Improvement Initiative**

Roland Valori, UK

17:00-17:30

### **How to design and structure an endoscopy unit? Which mistakes should to be avoided?**

Marjon de Pater, The Netherlands

17:30-17:45

### **How to match demand and capacity?**

Sheila King, Ireland

17:45-18:00

### **Skill acquisition in the endoscopy workforce**

Irene Dunkley, UK

18:00-18:15

### **Audits and risk management: How to organise it?**

Helen Griffiths, UK

18:15-18:30

---

## **ESGENA Spring School**

### **ESGENA Spring School 1: Patient and staff safety**

Saturday, April 25, 2020

08.30-10.30

Liffey Meeting Room 1

**Chair:** Fanny Durand, France  
Tatjana Gjergjek, Slovenia  
Devika Ghosh, Ireland

### **Sedation in GI endoscopy – Update 2019**

Peter Vilman, Denmark

08:30-08:50

### **Entonox vs sedation in Colonoscopy**

Irene Dunkley, UK

8:50-09:10

### **Sedation in Endoscopy - titration vs TCI pump**

Björn Fehrke, Switzerland

09:10-09:30

**Titration vs one dose procedural sedation without anesthesiologist.**

**Need for a specific procedural nurse sedation team (PROSA).**

Ricomaurits Haesaerts, Belgium

09:30-09:50

**Recovery after interventional endoscopy – risk assessment, prevention of adverse events and high quality of care**

09:50-10:10

**Problem of musculoskeletal disorders in endoscopy nursing**

Elzbieta Bak, Poland

10:10-10:30

---

**ESGENA Spring School 2:      Advanced roles for nurses in Endoscopy and Gastroenterology**

Saturday April 25, 2020

11.00-13.00

Liffey Meeting Room 1

**Chair:**     Irene Dunkley, UK  
              Deirdre Clune, Ireland  
              Vania Braga

**“I CARE! “– The core competence of the endoscopy nurse based on case studies**

Denise Schäfer, Austria

11:00-11:20

**The nurse’s role and importance for the outcome of the quality of the colonoscopy**

Gry Håvi, Norway

11:20-11:40

**Nurses in manometry and PH-monitoring – an advanced role for nurses in Gastroenterology**

Lien Timmermanns, Belgium

11:40-12:00

**Advanced nurse practitioner (ANP) for IBD – benefits for the health system and the individual patient**

Aine Keogh, Ireland

12:00-12:20

**To learn from other countries – establishment of nurse endoscopists in Sweden**

Ingrid Karström, Sweden

12:20-12:40

**Advanced practise - round table discussion**

12:40-13:00

---

**ESGENA Spring School 3: Education**

Saturday April 25, 2020

14.30-16.00

Liffey Meeting Room 1

**Chair:** Marjon de Pater, The Netherlands  
Siiri Maasen, Estonia

**Interdisciplinary skills training in an endoscopy setting through simulation**

Christina Droob Kolstrup, Denmark

14:30-14:50

**Teaching new staff in endoscopy procedures – how to implement a structures training programme into daily routine**

Ulrike Beilenhoff, Germany

14:50-15:10

**ISREE- Improving safety and reducing error in endoscopy**

**Human factors/ Non-technical skills**

Sarah Marshall, UK

15:10-15:30

**Nursing shortages - how are we dealing with this?**

Round table discussion

15:30-16:00
